t combined. Finally,  
he dry and gently

fold together until just combined (do not overmix).  
Some lumps are OK.

### Step 3

**Keep screen awake**

Preheat a griddle or other heavy bottomed skillet over medium heat until hot but not scorching, 2 to 3 minutes. Add about a teaspoon of oil then use a cloth or paper towel to rub it onto the cooking surface until you see no visible oil.

### Step 4

Using a measuring cup, ladle as many heaping  $\frac{1}{3}$  cups of batter onto the griddle as you can fit, then use the bottom of the measuring cup to gently spread the batter to even circles. Cook pancakes until you see bubbles form on the top and the sides start to lift from the pan, 2 to 3 minutes. Flip the pancakes and cook until the bottom is golden and the cake is fluffy, another 2 to 3 minutes. Transfer to a rack. Continue with the rest of the batter, wiping out the pan and adding more oil between batches.

### Step 5

Serve the pancakes warm with butter and syrup.
